• Biotin

HairVit+ carries **10,000 mcg** of biotin which is an important feature in preventing hair loss and brittle nails, composed of an ureido ring fused with a tetrahydro thiophene ring. Not noticed Biotin deficiency, leads to dry, irritated skin, brittle hair and extra hair loss. Biotin surprisingly protects the skin from acne, fungal infections, rashes, severe dryness and cracking of nails.

Soya Isoflavones 5000 mcg to effectively reduce Dihydrotestosterone (DHT) as well stimulate the production of hyaluronic acid (HA).

• Amino Acids

HairVit+ Contains special concentrations of amino acids to promote collagen production, increase hydration and maintain healthy auto pH balance.

Isoleucine- healing and repair of muscle tissue, skin and bones.

Lysine- ensure adequate absorption of calcium for formation of collagen for bone, cartilage and connective tissues.

Methionine- to boost both keratin and collagen, and stop hair shedding and loss.

Cysteine- to influence hair follicles and promote healthy hair, skin, and nail growth to nurture a woman's health and beauty at the cellular level.

Proline- to improve skin texture while aging.

Arginine, vasodilator to promote the growth of hair via nitric oxide formation and improve the irrigation of roots, and stimulate hair growth.
